NY Chapter,  
% of Mr. Riaz Bacchus.

Dear Friends of L.C.S.S,

We the teachers, parents, students and other stakeholders of Education wish to first of all express our sincerest of gratitude to each member of the Alumni Association NY Chapter for contributing significantly to the development of Lower Corentyne Secondary and impacting on the lives of the current students' population.

So far we have enjoyed the partnership and cordial relationship that has emerged between the local folks and you all and are very grateful for the support we have been receiving. We pledge our commitment to ensuring that all monetary and material support is utilized effectively for its intended use and that accountability always remains a hallmark for us.

We must confess that your recent donation of \$400,000 Guyana Dollars which was spent on Educational Text Books and other stimulus materials have already began to make a ~~Huge~~<sup>huge</sup> difference in the classroom and of course reducing some of the many challenges we encountered.

The handing over of the items was well publicized and accredited to you all. We were fortunate to have Ms. Shanta Khemraj one of your members to speak on your behalf at the simple handing over ceremony.

We are sending a few still pictures and the original copy of the invoice of materials along with the official receipt of all spending. I trust that you will be satisfied with the way the project was executed and be encouraged to continue your support of your Alma Mata.

We are working on having an expansion of the complex to create more room for the students; however this task will accumulate more impetus if you could support it. The plan is to submit a petition/request to the Minister of Education hoping he will see the need and respond favorably in the immediate future. Acknowledging your help and support may be a forceful factor in turning this plan to our advantage, therefore your influence is vital to the implementation of this project.

Once again thank you, for your continued support.

Yours truly,  
LOWER CORENTYNE  
SECONDARY SCHOOL
